

Synergy ParentVUE

RRSEC Portal for Student Information

Activation Key for Parents/Guardians

An Activation Key is required for parents to login to Synergy ParentVUE. Each parent & guardian with custody rights receives an individual letter containing an Activation Key.

View course grades

View your student's current grades and assignments. Students have access to a StudentVUE account so they can login on their own.

Track attendance

Access student's attendance data, including absences and tardies.

Receive e-mail alerts

Communications from teachers, optionally receive e-mail messages with attendance alerts and/or grade stats. Set threshold for instances where your student's grades rise or fall (Secondary only)

Communicate with teachers

Login to view class communications sent by teachers, and click on a teacher's name to send e-mail directly referencing student and course.

Mobile Access

Access your student's grades and attendance on-the-go with the free ParentVUE mobile app (iOS & Android).
